"Looking forward to things is half the pleasure of them."

This quote perfectly describes the current energy of the volunteers and staff at Camp Prime Time! With the arrival of spring, we are looking forward to a lot of wonderful upcoming projects, events, and, of course, the 2025 camping season!

Group and individual campers began submitting applications when the portal opened in February and by the time this newsletter arrived in your mailbox, the selected campers had begun receiving notifications about their dates and follow up paperwork. With a limited number of available dates for summer sessions and so many worthy applicants, placement is by far the toughest part of our jobs. Even with that stress, we all find ourselves getting excited about Camp Prime Time opening and all of the amazing people we will get to welcome for a summer adventure!

In November, we hope that many of you will join us for the Building Memories Dinner & Auction. The theme is "Adventure Awaits" so we are working on gathering items for the Live Auction and Silent Auction that will ensure an adventure that evening, as well as in their use after the event. Please pay special attention to the information in this newsletter, as well as keep checking back on our Facebook page and website for updates.
