

2025 Camp Season Recap
by Michael Moore

The 2025 camp season proved to be one of our most successful yet! Despite a few close calls with air quality levels, we were fortunate to enjoy a full season at Camp Prime Time. More than 1,100 campers experienced the magic of camp this year — an achievement made possible only through the dedication of our incredible volunteers and staff.

We were also thrilled to welcome Kevin Holmes as our new full-time Operations Director. Along with our Camp Caretaker, Andrew Smith, they made sure that camp was ready each and every week through their hard work and commitment. Their efforts kept everything running smoothly and ensured that every family could fully enjoy their stay.

Our office team worked tirelessly to make it all possible. Executive Director Margaret Filkins, Sheri Bissell, and John Baule processed hundreds and hundreds of camper and volunteer applications. Their teamwork ensured that every camper and volunteer had a seamless experience from start to finish.

Finally, we extend our heartfelt gratitude to Patti Betts for her years of service to Camp Prime Time. Patti’s commitment and care have touched countless lives, and her legacy will always be part of who we are.

None of this would be possible without the continued support of our generous donors and our amazing volunteers. Your belief in our mission allows us to keep providing life-changing experiences for families year after year.

Thank you to EVERYONE who made 2025 an incredible year for Camp Prime Time!

Wishing all of you a safe and wonderful holiday season!

“Over the years, we’ve seen our kids step in to carry on the tradition, and with every session, our own lives are enriched by the love and compassion of the families we meet. We may leave camp tired, but we always leave grateful, and so thankful for the chance to give back and humbled by how much these families give to us in return.”

“Our visit to Camp Prime Time has been such a meaningful experience. The opportunity to connect and spend quality time with other families ‘like us’ is priceless- in more ways than one- literally and figuratively. Thank you from the bottom of our hearts to all the generous donors who made this possible.”

-Jenny S.

“From the moment we came, we have felt loved and supported, and spoiled! From the cabin being the most impeccably clean place I’ve ever camped, to the amazing volunteers and food. We have felt so comfortable, well-fed, and understood. Thank you for a special time, we won’t forget you!”

“Alone, we can do so little;
together we can do so much.”

We might be biased, but there’s something truly magical about Camp Prime Time. For campers, it’s the joy of their first visit. For volunteers, it’s the tradition of returning year after year. No matter who you are, camp creates connection, laughter, healing, and memories that last a lifetime.

Here’s the best part: all of this magic exists because of you, our community. Every two years, our auction becomes the night that fuels it all. It’s not just about bidding on fun items (though there will be plenty of that). It’s about making sure Camp Prime Time continues to thrive by:

- Keeping camp free for families
- Bringing programs and activities to life
- Maintaining cabins, trails, and accessible spaces
- Equipping volunteers to create unforgettable experiences

When you show up, bid, and give, you’re doing more than supporting an event; you’re keeping the doors open and the memories alive for hundreds of families.
